**Appellants** – Devon Canada Corporation, **Location** – Municipal District of Clear Hills No. 21, Alberta, **Type of Appeal** – Discontinuance

A Notice of Appeal was received from Devon Canada Corporation on September 1, 2010 with respect to the August 3, 2010 decision of Alberta Environment to cancel Reclamation Certificate No. 00204300-00-00 issued to Devon Canada Corporation for the well located at 100/14-27-85-5-W6M in the Municipal District of Clear Hills No. 21. The Reclamation Certificate was cancelled as a result of a contaminant audit conducted by Alberta Environment that revealed the site did not meet the guidelines.

On October 25, December 10, 2010, and January 17 and 19, 2011, Devon Canada made requests to the Board to hold the appeal in abeyance so that further analysis of the environmental audit and discussion with Alberta Environment could take place. The Board granted the requests to hold the appeal in abeyance to allow for discussions with Alberta Environment. On February 9, 2011, Devon Canada withdrew their appeal and the Board closed its file.
