A Notice of Appeal was received on October 24, 2011 from Mr. William and Ms. Arlene Swanson, landowners, with respect to the April 29, 2011 decision of Alberta Environment and Water to issue Reclamation Certificate No. 00288367-00-00 to Red Leaf Energy Inc. (in receivership) for the Renaissance Pipestone 6-8-47-24 well, specifically for the roadway.

The Board began processing the appeal and requested that Alberta Environment and Water provide their records by November 29, 2011 with respect to their decision to issue the reclamation certificate. However, on November 22, 2011 the Board received a letter from Mr. and Ms. Swanson advising that they had reached an agreement with Red Leaf Energy's Receiver and were withdrawing their appeal. The Board closed its file in this matter on November 23, 2011.
