Appellant – Glenn Sharp and Craigievar Farm Ltd., Ron Duffy and Donna Lynn Duffy,
Operator – Glenn Sharp and Craigievar Farm Ltd., **Location** – County of Lacombe

A Notice of Appeal and request for a stay were received from Glenn Sharp and Craigievar Farm Ltd, and Ron Duffy and Donna Lynn Duffy. Ron Duffy and Donna Lynn Duffy are the new owners of the land as of June 15, 2012. These appeals are with respect to the May 31, 2012 decision of Alberta Environment and Sustainable Resource Development to issue *Water Act* Enforcement Order No. WA-EO-2012/03-CR to Glenn Sharp and Craigievar Farm Ltd. for conducting unauthorized activity along a watercourse located at SE 24-39-25-W4M in the County of Lacombe, Alberta.

On July 3, 2012, the Board denied the stay request because the Appellants would not suffer irreparable harm and the public interest does not warrant a stay.

A site visit was held on August 29, 2012 and a mediation meeting was held on August 30, 2012 in Lacombe. A resolution was reached at the mediation and monthly status reports followed. On January 10, 2013, the Board received notice the Enforcement Order was cancelled, and as a result, the appeals were withdrawn. Based upon the resolution from the mediation meeting, the Board discontinued its proceedings and closed the file.
