

12-015

Appellant – Canadian Natural Resources Ltd., **Operator** – Canadian Natural Resources Ltd.,
Location – County of Two Hills

A Notice of Appeal was received from Canadian Natural Resources Ltd. on August 7, 2012 with respect to the July 9, 2012 decision of Alberta Environment and Sustainable Resource Development (AESRD) to refuse an application for a reclamation certificate from Canadian Natural Resources Ltd. in relation to the CNRL 6B Lindbergh 6-12-54-7-W4M well, located in the County of Two Hills. AESRD refused the application because the natural drainage was impeded by CNRL's development causing water to pond resulting in the occupant being unable to seed the area as he did prior to the lease development.

In consultation with the parties, a mediation meeting was held on November 29, 2012. As a result of the resolution reached at the mediation, the appeal was withdrawn on June 7, 2013. The Board discontinued its proceedings and closed its file in this matter.
