Appellant – Darrell Pitts, **Operator** – Darrell Pitts, **Location** – near Dewinton

A Notice of Appeal was received on August 10, 2012 from Mr. Darrell Pitts. This appeal is with respect to the July 23, 2012 letter from Alberta Environment and Sustainable Resource Development (AESRD), stating that a compliance inspection was undertaken at a wetland located at SE 36-21-29-W4M. AESRD stated that work had been undertaken in the wetland for which an approval is required pursuant to the *Water Act*.

Upon review of AESRD's July 23, 2012 letter of direction, it does not appear to be an item that is appealable in accordance with section 115(1) of the *Water Act*. The Appellant was requested to provide any information to explain why he believed he had a right to appeal. After several extensions, the Appellant withdrew the appeal on February 26, 2013 and the Board closed its file in this matter.
