Appellant – Canadian Natural Resources Ltd., **Operator** – Canadian Natural Resources Ltd.,
Location – near Lloydminster

A Notice of Appeal was received on August 22, 2012 from Canadian Natural Resources Ltd. in relation to the August 9, 2012 decision of Alberta Environment and Sustainable Resource Development (AESRD) to refuse to issue a reclamation certificate in relation to the TIPCO CHRL LLOYD 11C-17-050-1 W4M well located near Lloydminster. AESRD advised that an inspection of the lease revealed contouring is causing water to pond thereby flooding out a portion of a crop.

In consultation with the parties, a mediation meeting was held on November 28, 2012 that resulted in the appeal being withdrawn.
