Environmental Appeals Board written hearing schedule

The Environmental Appeals Board will conduct a hearing, by written submissions only, commencing on September 15, 2010. The hearing is with respect to Alberta Environment's decision to issue a Reclamation Certificate to Bonavista Petroleum Ltd. for the reclamation of the Petrorep et al Provost well located at 10-15-34-8 W4M, near Consort, Alberta, in Special Area No. 4. The appeal was filed by the landowner on the basis that the land is not reclaimed to an acceptable level, and there is a loss in land production.

The request must be received by the Board on or before September 1, 2010. It is the applicant's responsibility to ensure their request has been received. The request shall contain the name, address, telephone and fax numbers of the person submitting the request, indicate whether the person will be represented by a lawyer or agent, and if so, their name, contain a summary of the nature of the person's interest in this appeal, and be signed by the person submitting the request. After September 1, 2010, the Board will, in its discretion, determine if other persons may make representations and the manner in which they can be made.
