Environmental Appeals Board hearing schedule

March 21, 2018 [Media inquiries](#)

The Environmental Appeals Board will conduct a hearing on April 25, 2018 in Edmonton at the office of the Environmental Appeals Board commencing at 8:30 am.

The Environmental Appeals Board will hold a hearing with respect to the decision of Alberta Environment and Parks to issue to Associated Aggregates *Water Act* Enforcement Order No. WA-EO-2017/04-RDNSR. Associated Aggregates operates a sand and gravel pit on public lands located at E1/2-14-49-7-W5M in Drayton Valley. The Enforcement Order states that Associated Aggregates has contravened section 36(1) of the *Water Act* by commencing excavation which resulted in the South End Pit Lake, including the Constructed Berm, without an approval.

The Environmental Appeals Board is a separate and independent body that reviews certain decisions made by Alberta Environment and Parks. The Board is composed of environmental experts from a variety of disciplines.

Any person, other than the parties, who wishes to make a representation before the Board on this appeal must submit a request by fax or by e-mail to the Board. The request must be received by the Board on or before March 27, 2018. It is your responsibility to ensure that your request is received by the Board by March 27, 2018. Such a request shall (a) contain the name, address, e-

mail, and telephone and fax numbers of the person submitting the request, (b) indicate whether the person submitting the request intends to be represented by a lawyer or agent and, if so, the name of the lawyer or agent, (c) contain a summary of the nature of the person's interest in this appeal, and (d) be signed by the person submitting the request. Applications will only be considered if the information will assist the Board in making its decision and will not duplicate the information provided by the parties. After March 27, 2018, the Board will, in its discretion, determine if other persons may make representations, and the manner in which they can be made. Once the Board makes a decision on any intervenor applications, the hearing will be open to the public for viewing only. Please contact the Board for more information regarding this appeal.

The information requested is necessary to allow the Environmental Appeals Board to perform its function. The information is collected under the authority of the *Freedom of Information and Protection of Privacy Act*, section 33(c). Section 33(c) provides that personal information may only be collected if that information relates directly to and is necessary for the processing of this appeal. The information you provide will be considered a public record.
