## Environmental Appeals Board hearing schedule

The Environmental Appeals Board hearing scheduled for February 25, 2013 was adjourned and rescheduled to May 14 and 15, 2013 at the Board's office in Edmonton. The Board held a preliminary motions hearing on February 25, 2013 to determine the issues that will be heard at the hearing of the appeals, and to hear submissions regarding a stay application.

These appeals are in relation to the decisions of Alberta Environment and Sustainable Resource Development to issue to Delta Land Co. Inc., under the Water Act, Licence Nos. 00293413-00-00 and 00293311-00-00 for the operation of a works and diversion of up to 38725.0 and 23554.0 cubic metres of water annually for recreational and irrigation purposes (RV resort and golf course), and Approval No. 00292313-00-00 for the construction and maintenance of an inland marina, beach, and fisheries enhancement works at Gull Lake, Alberta.

The Environmental Appeals Board is a separate and independent body that reviews certain decisions made by Alberta Environment and Sustainable Resource Development. The Board is composed of environmental experts from a variety of disciplines.

The deadline for persons, other than the parties, who wished to make a representation before the Board on these appeals was February 14, 2013. This application process is now closed, and no applications to intervene were received.

Copies of materials filed with the Board respecting these appeals are available for viewing at the Mary C. Moore Public Library in Lacombe during their normal operating hours or by appointment at Board's office in Edmonton.
