The Board will hear submissions with respect to an appeal filed in relation to Alberta Environment and Parks's decision to issue *Water Act* Enforcement Order No. WA-EO-2015/06-SSR to Ian Sandeman for allegedly constructing an unauthorized berm and conducting unauthorized excavations of the bed and shore within a waterbody located at SE-21-008-01-W5M in the Municipal District of Pincher Creek, near Cowley, Alberta.

The Environmental Appeals Board is a separate and independent body that reviews certain decisions made by Alberta Environment and Parks. The Board is composed of environmental experts from a variety of disciplines.

Any person, other than the parties, who wishes to make a representation before the Board on this appeal must submit a request by fax or by e-mail to the Board. The request must be received by the Board on or before January 7, 2016. It is the applicant's responsibility to ensure that the request has been received. Such a request shall (a) contain the name, address, e-mail, and telephone and fax numbers of the person submitting the request, (b) indicate whether the person submitting the request intends to be represented by a lawyer or agent and, if so, the name of the lawyer or agent, and (c) contain a summary of the nature of the person's interest in this appeal. Applications will only be considered if the information will assist the Board in making its decision, and will not duplicate the information provided by the parties. After January 7, 2016, the Board will determine if other persons may make representations and the manner in which they can be made. Once the Board makes a decision on any intervenor applications, the hearing will be open to the public for viewing only.
