## Environmental Appeals Board hearing schedule: Secure Energy Services

July 04, 2022 [Media inquiries](#)

The Environmental Appeals Board will conduct a hearing on September 29 and 30, 2022, via video conference, commencing at 8:30 am.

The Environmental Appeals Board will conduct a hearing on September 29 and 30, 2022, via video conference, commencing at 8:30 am.

The Board will hear submissions with respect to the September 30, 2021 decision of the Director, Alberta Environment and Parks, to issue Approval No. 48516-02-00 to Secure Energy Services Inc. for the construction, operation and reclamation of the Pembina Area Landfill near Drayton Valley, consisting of a Class 1 and Class II Landfill, where more than 10,000 tonnes per year of hazardous waste and non-hazardous waste are disposed of.

The Environmental Appeals Board is a separate and independent body that reviews certain decisions made by Alberta Environment and Parks. The Board is composed of environmental experts from a variety of disciplines.

Any person, other than the parties, who wishes to make a representation before the Board on this appeal must submit a request by fax or by e-mail to the Board. The request must be received by the Board on or before July 19, 2022. It is the applicant's responsibility to ensure that their request has been received. The request shall (a) contain the name, address, e-mail, and telephone and fax numbers of the person submitting the request, (b) indicate whether the person submitting the request intends to be represented by a lawyer or agent and, if so, the name of the lawyer or agent, and (c) contain a summary of the nature of the person's interest in this appeal. Applications will only be considered if the information will assist the Board in making its decision, and will not duplicate the information provided by the parties. After July 19, 2022, the Board will determine if other persons may make representations and the manner in which they can be made.

Since the hearing is being held via video conference, it will not be open to the public for viewing. You may request a copy of the audio recording.

Please contact the Board for further information regarding this appeal.

The information requested is necessary to allow the Environmental Appeals Board to perform its function. The information is collected under the authority of the *Freedom of Information and Protection of Privacy Act*, section 33(c). Section 33(c) provides that personal information may only be collected if that information relates directly to and is necessary for the processing of this appeal. The information you provide will be considered a public record.
